be enjoyed by both tourist and year round residents alike is the picnic area and boat landing on the Weweantic. The river in this spot is winding and protected, and the spot is sure to be a favorite of fishermen, canoeists and small boatmen. It will also be a wonderful picnic area with an unsurpassed view of the river.

SALT STORAGE ON NORTH STREET

A letter has been received by the Mattapoisett Board of Selectmen by the Division of Environmental Health in answer to the Selectmen's inquiry about the State's reported plan to store salt on North Street near the 195 entrance road. This report is true. The Division states that the area is not in the water shed area of the Mattapoisett River and that a masonary shed will be built on the site to contain the salt.

SCUP SIZE LIMIT

The Board of Selectmen has written to Mr. Frank Grice of the Division of Marine Fisheries, requesting that this agency take whatever action necessary to put a minimum size limit on scup taken from the waters of this area.

Five-Apartment Housing

Frank F. and Mary B. Sylvia of 22 North Street, Mattapoisett, were the petitioners of name for a variance to allow the building of 5 apartment houses of 4 units each on land owned by them bisected by Tub Mill Brook, in a public hearing by the Board of Appeals on Thursday at the Mattapoisett Town Hall. Attorney Richard C. Paull presented the case for the petition as attorney for the developer. Each of the 20 units would contain 2 bedrooms. In his presentation Attorney Paull said that the character of the town would not be adversely affected by the apartments. He said that the petitioners could now build 15 cracker box type individual homes on the same land without a variance and that the apartment plan was therefore preferable. The apartments would be built on the high points of land in this area which contains a dry pond bed as well as the brook and spillway. It was point-

ed out that percolation tests taken on the site were above minimum standards. Mr. Michael J. Hickey, chairman of the Mattapoisett Board of Health, was present and concurred. The apartments are planned to face the brook and pond. According to the petitioners, no filling of land or disturbing of the brook is contemplated. The proposed developer of the apartment units is Mattlex Realty Trust headed by George S. White. Both Mr. White and Mr. Arnold Briggs spoke on the plans for the development. Parking would be provided for one car per unit. Driveways would parallel the lot lines.

The meeting was attended by 21 people. Of those who expressed an opinion, all but 3 objected to the plan. Most were neighbors. Mrs. Laureean Gerstenlauer presented a petition signed by 100 people who opposed the plan. She said that she could have hundreds more if she had contacted them. Attorney Paull asked her how many refused to sign out of those she asked and she replied, "two".

The objectors objected because of density, pollution, because of the wetness of the area, traffic, addition to the school population, and damage to the character of the town. Mrs. Bette O'Connor, a neighbor, said that surveyors for this project had worked in waders. Hudson E. Hardy, a next door neighbor, said that he was offered the land at a very low price and refused to buy because he considered it unfit for building. He said that he had never seen lightning strike so many times in one place as there and that he didn't want to have to be at home every time it rains.

Mr. Albert Goodwin, who lives in back of the area, said that every heavy rain a flash flood now inundates his home. He said that he would hate to have the water from 20 more families flow back into his yard. Even if the water is pure, he said, he doesn't want it. Mr. Richard Chase of the Planning Board said that he would doubt

very much that 15 individual homes could be built on this site. He said that a road would have to be built and that such a subdivision would have to be presented to the Planning Board.

Several neighbors stated that since 195 has been built the flash flood problem, which was bad before, has become worse.

The developers said that the culvert under Route 6 is blocked with debris and would be cleared. The objectors replied that Manny Nunes clears the culvert regularly and the problem remains.

The Board of Appeals took the petition under advisement to allow the petitioner to present further plans and maps.

In other action, North American Business Forms requested permission to build a loading dock. The request was denied.

William C. Tavares was granted permission to build a bedroom addition on to his home at 21 Brandt Island.

JOINT MEETING OF SCHOOL COMMITTEES

'British' are Coming!

BATTLE AT FORT PHOENIX

An event of historical interest should attract much attention throughout this area as the Fourth Old Dartmouth Militia Fort Phoenix Garrison will recreate the Revolutionary battle with "British" ships on the original site. This Fort Phoenix Garrison will play host to other Revolutionary militia groups who will participate in the sea and land battle at the Fort in Fairhaven on Saturday, May 12th. The Colonial Navy of Fall River, Apponagansett Volunteers, Taunton Minutemen and the Tiverton Light Dragoons will join the Fort Phoenix Garrison in a spectacular reenactment of the Revolutionary action at the spot. Four sailing vessels: Mr. Harter's Seven Bells of Nantucket, Caruso, Warren and Bill Holt's 32 foot gaff rigged cutter from Padanaram; Paul Saunders' two masted 40-foot schooner, and the Adventurer, owned by Mr. Savage of S & S Lumber Company; will maneuver in the naval action off the Fort. The vessels will be manned by armed "marines" and musket fire will be exchanged along with cannon

shot. Action on Fort Phoenix itself will feature the firing of a 24 pound seacoast cannon in its first firing in over 100 years. The cannon, an authentic piece of the period, has been reconditioned by the Fairhaven Garrison and will be mounted soon in preparation for this historic reenactment.

Fort Phoenix, on the Moby Dick Trail, has been declared a national monument through the efforts of the Fourth Old Dartmouth Militia. A marker designating this fact will be unveiled by Nathaniel Pope, a grandson of the man who unveiled the original plaque on the Fort.

The schedule of events will be as follows: 12:30, call to muster to take place opposite the Millicent Library when the Moby Dick Trail Marker will be unveiled; 1:30, parade to Fort Phoenix where there will be a flag raising ceremony featuring musketry; 2:00, the 24 seacoast cannon will be fired to signal the start of the action. The naval battle will commence. 2:30, the national historical monument bronze marker will be unveiled.

Senators Kennedy and Brook, Representative Studds and Governor Sargent are among the numerous political dignitaries who have been invited. Area military organizations from the entire area have been invited to witness the event.

At the Fort, the recently unearthed powder magazine will be open to the public for inspection.

As our country prepares to observe its 200th anniversary, the Fourth Old Dartmouth Militia has more than done its part in focusing attention to our own neighborhood's part in the Revolutionary engagement that is part of the fabric of this nation's birth.

Lion's Spring Dance

The Mattapoisett Lions' Club is now preparing for their annual Spring Dance which is open to anyone who would like to attend. This year, the dance will feature two bands playing alternately so that a wide range of musical taste can be satisfied and that continuous music can be enjoyed. A country and western band will be alternated with a modern and rock band.

A happy hour will be held from 8 to 8:30. During this period drinks will be served without charge. Light refreshments will be served later in the evening.

The hall will be decorated in Spring motif and a special appearance by Cousin Dave will highlight the evening. There will be free prizes and other special events throughout the evening.

The dance will be held Saturday, May 19th, at the K of C Hall, Route 6, Mattapoisett, between the hours of 8 P.M. and 1 A.M. Tickets are available from Lions' Club members and from dance chairman Joe Guard at Joe's Arco Station.

Mattapoisett Grange

Mattapoisett Grange held its bi-monthly meeting last Thursday night with Worthy Master Mark Harris presiding.

Partial reports were given on plans for the Fair to be held in August, a report on the Ways and Means Committee and the Junior Grange.

Mrs. Ollie Gifford reported on the Educational Aid and Home and Community Service work. A fine report on conservation was given by Master Harris.

Plans are being made for a Thrift and Rummage Sale to be held in the Grange Hall on Saturday, May 5th, from 9 A.M. to 12 noon. Many new clothes will be on sale.

Mr. William Smith was in charge of the lecturer's program and presented slides of his trip to Italy, Greece and England. They were beautiful and educational.

Refreshments of cookies and punch were served by the master and Kathy Buckley.

The next regular meeting will be May 3rd.

JUNIOR NATIONAL PROGRAM

A new program planned and introduced by the National Grange for all Junior members in the nation has certainly put a spark in the Mattapoisett unit.

A unanimous vote was given by these young people to be part of this great program. To be able to wear one of the

sashes, demonstrated in this picture by Worthy Master Lauren Horne, members must meet all requirements of the merit badge program, under examination by a committee. These are some of the qualifications: Ritual 1 and 2, citizenship, craft, personal habits and appearance, membership, good Granger, talent, Prince and Princess, birds, conservation, faith

and service and as a member.

Some of these call for a paragraph on ways to show our loyalty to our Country, and to give a talk on the bald eagle and how it was chosen as our national symbol.

These are just a few interesting hints in regards the 77 questions covering all sixteen badges. Conclusion is a beautiful candlelight service during the presentation of badges at a special recess of the Subordinate Grange.

Worthy Master Lauren Horne feels that this national program is a highlight of a Junior's membership.

New Stamps April 30

"POSTAL PEOPLE DAY"

Postmaster Charles Figueiredo of Mattapoisett and Officer in Charge George Barkley of Marion wish to announce that Monday, April 30th, will be observed as "Postal People Day".

A unique new set of ten 8¢ postage stamps honoring two-thirds of a million postal people across the nation, including all of your local employees, will be issued.

Each of the ten stamps depicts a specific job postal people do. And, for the first time, a message is printed on the reverse of each stamp, on the adhesive side, in a mint colored dye. Each message is a reminder of what our postal people do.

Free souvenir envelopes will be available at each office, on a "first come" basis for as long as they last. In addition, a quantity of cacheted envelopes will be prepared

Merchants Association

The Wareham Main Street Merchants' Association held the April dinner meeting at Hell's Blazes Tavern on Tuesday, April 17. The meeting was called to order by the president, Normand Desjardins. Secretary and treasurer's reports were read and accepted.

Members discussed the possibilities of giving lovely carnation corsages, in a variety of colors, to customers making a purchase of five dollars or more on Friday and Saturday, May 11 and 12, from any merchants belonging to the association.

Members voted to have the "Annual August Sidewalk Sale" again this year, and any Main Street Merchants will be welcome to participate. Many plans are being made to make the annual sale more inviting and enjoyable to all. If possible, an outdoor Art Exhibit and Sale will be included and all area artists welcome.

Executive session followed and the meeting was adjourned at 9 P.M. The next will be on May 15th, meeting place to be announced.

Immunization Clinic

An immunization clinic will be held Wednesday, May 9th, at a time and place to be announced at a later date.

The clinic is sponsored by the Mattapoisett Board of Health and conducted by the District Nurses and School Nurse under the direction of Dr. Albert York.

Immunizations to be offered are: DPT, polio, measles, rubella (German measles) and mumps.

This clinic is open to pre-school children as well as school children.

If your child needs any of these immunizations please call the District Nurse, Mrs. Margaret Sylvester, at 6526 any morning between 8:30 and 9, or the school nurse, Mrs. Marian Silsby, at Center School, 2521.

The next meeting of the Solo Parents will be on Tuesday, May 1st, at Mike's Italian American Kitchen, Route 6, Fairhaven. Dinner at 7:30 P.M. will be followed by a business with election of officers. Widowed or divorced men and women are invited to call the YWCA regarding the Solo Parents program, if interested in details of membership. Telephone 999-6201.

Purpose of the Club is to help in solving problems of parents bringing up children alone and to provide opportunities for recreation in the company of those with similar interests.

Although the ski season is finished, the Junior Ski Club of the New Bedford YWCA is still active. The next meeting will be held on Thursday, April 26th, at 3:30 P.M.

Preceding the business meeting will be a film, "Ski Canada--Ottawa", which will be the club's last ski film for the season. Following film presentation will be a special review and planning session for spring and summer activities, which will include walk-a-tours to nearby places of interest, bike hikes, fishing trips, mountain hikes to Blue Hills near Boston, Mt. Monadnock and Mt. Chocorua in New Hampshire and day trips to Cape Cod sand dunes and bird sanctuaries.

It is not too late to join this enthusiastic group which loves outdoor activities. Girls and boys in grades 7 and 8 are invited to inquire about the Junior Ski Club. The club will continue to meet twice a month, the second and fourth Thursdays, from 3:30 to 5 P.M.

GOVERNOR PROCLAIMS
"RIDE A BIKE FOR THE RETARDED DAY"

Governor Francis W. Sargent has proclaimed Sunday, April 29th, Ride a Bike for the Retarded Day throughout the Commonwealth. On this day, thousands of Massachusetts residents will be bicycling to raise money to support the Massachusetts Association for Retarded Citizens (MARC) in their efforts to protect and promote constitutional and human rights of the 165,000 retarded children and adults in Massachusetts.

In over 150 towns across the state, sponsors will be contributing a predetermined amount of money for every mile their riders complete. The riders will travel over routes designed by local Ride Coordinators in their home towns, and volunteers along the routes will certify the number of miles completed.

The goal for this year's Ride is $200,000, which will help MARC continue to stimulate provision of community programs, equal education, and employment opportunities for the state's retarded citizens.

Among the hundreds of volunteers involved in the Ride, the Massachusetts Teachers Association, the Massachusetts JayCees, and the Junior Membership of the Massachusetts Federation of Women's Clubs have contributed long hours of hard work to guarantee its success.

Anyone wanting more information on how they too can help the retarded should contact the MARC office at 617-891-7710.

One-Step Recruiting

The United States Navy has eliminated some of the confusion involved between recruiting for its active duty programs and reserve programs. Now, every Navy recruiting office offers a "one-stop" enlisting concept whereby a young man or woman may apply for either reserve or active duty programs at any recruiting office.

Prior to April 1st, reserve enlistment programs of two years or less were offered only through Naval Reserve recruiters at Naval Reserve Training Centers; 14 in all throughout New England. Active duty enlistment programs of 3, 4 or 6 years were offered through regular Navy recruiting offices located in the downtown areas of most major cities.

For this area, Chief Bernard Glass, Recruiter-in-Charge of the New Bedford Navy office, says that any young man or woman seeking a position in the Navy now has the complete selection of over 300 jobs in more than ten enlistment programs. He can explain the requirements for each program by contacting him at his office at 902 Purchase Street, New Bedford, or by calling 997-0721 Ext. 259.

The consolidated programs now include the Navy's latest advanced electronics training, nuclear propulsion, guarantee for school training, direct appointment for petty officer, two year reserve enlistment, or a program which allows a man or woman to go on active duty just for training.

To help smooth the transition to the Navy's "One-Step" recruiting concept, Chief Ray Shiel of the Fort Rodman Naval Reserve Center is now serving with the New Bedford office.
